

# TABLE LINENS

**We have partnered with Elegant Linens & Rentals to make available table linens for events at Haseltine Estate. This includes the following linens: white crush bichon round linens (knee high, 90" diameter) and white or black crush bichon rectangle linens (floor length, 156" x 90").**

- Linens have a crinkled texture and satin finish to them.**
- We are passing the savings directly on to our clients, as we are renting each linen for only \$9. This is well below the market rate for any table linen, especially for this particular material.**
- If interested, the only thing you need to do is let us know how many of each linen you will need by one month from your event date. Then we will send you an updated invoice, of which the added amount will be due by two weeks from your wedding day.**
- On your wedding day, we will set the table linens for you, as well as remove and bag them up at the end of the night.**
